

One-Week Seminar with Inti Cesar Malasquez (Peru)

4–11 July 2026 | Natur-Gut Lassen

From 4 to 11 July 2026, a one-week intensive seminar with the healer and musician Inti Cesar Malasquez from Peru will take place.

During this intensive training, we will practice a variety of healing rituals, including sweat lodges, yoga, singing, and drumming. The individual sessions are guided by Inti with great care and are adapted to the needs of the group.

In addition to the inner work, there will be plenty of time for rest and integration. Natur-Gut Lassen offers an ideal setting for this: breathtaking views, a peaceful atmosphere, and a warm, family-like environment. We will be nourished with organic and regional cuisine throughout the week.

Inti accompanies the seminar not only as a healer but also musically, sharing guitar songs or the sounds of the sitar, which deepen and enrich the shared process.

Due to the limited number of participants, we will remain a small and manageable group, allowing for personal guidance and deep, focused work. With his great empathy, Inti selects healing rituals that are appropriate for the respective group dynamics.
